How to make a Leather Tassel

By: geneviever

http://www.burdastyle.com/techniques/how-to-make-a-leather-tassel

With just a small piece of leather and basic tools you can make this leather tassel to add to something youâ—ve made, or to pep up something you already have. Adjust the length as you desire â— long strands can be glamorous on a bag, on coat pockets little short tassels might be better.

Step 1 — Step-by-step Instructions on my blog
